

Why Do Kids Do That?

Do you have certificate III, diploma or ECT trained staff who ask this question?

Maybe they are new to the profession?

Maybe they would like to refresh their knowledge?

Explore how children develop in relationship; What's attachment got to do with it?

Explore how children's brains develop in relationship; What's neurobiology got to do with it?

Consider experiences and strategies to implement 'on the floor' with infants, toddlers and pre-schoolers.

WHEN: At your next team meeting
WHERE: Your Centre - NSW
COST: \$350.00 for teams of up to 10 educators.
Up to 10 additional participants \$35.00 each.
Travel and handouts additional cost.
